

CREATIVITY INSPIRED RETREAT DAYS

Ever felt that you would like the world to stop and how lovely it would be to spend time in a place of tranquility? Exploring an art /craft activity you may not have done before? Then this is for you.

Turvey Monastery, Bedfordshire, is set in the grounds of Turvey Abbey and hosts five creativity inspired retreats a year . Each day consists of groups of 10-12 people, there's unlimited tea and coffee and a home cooked vegetarian lunch

Cost for the day is £50 and includes all the materials and refreshments

The day starts at 9.45am with a welcoming cuppa and ends around 3.45-4pm. After lunch we have a short period of meditation after which you can either continue the morning activity or spend the time in a way which you feel you need, e.g. a walk or some quiet time.
